

RESPONSIBLE CARESM
Driving Safety & Sustainability

**Verband Chemiehandel e.V. (German Association of Distribution),
Große Neugasse 6, 50667 Cologne hereby certifies that the company**

SAFECHEM Europe GmbH

Tersteegenstraße 25, 40474 Düsseldorf

**has been participating in its Responsible Care / Responsible
Conduct in the Chemical Trade* programme since 1 November
1997.**

Following an audit at the company, the third-party expert confirmed that the targets set in the three-year plan had been achieved (elements 5 and 8 of the programme in conjunction with the verification concept). This provides proof that the formal and substantive conditions of the programme have been met.

This confirmation is valid until 16.09.2029.
